Consumer Notes:

This is Pioneer's big month for their re-release of Akira - make sure not to miss the Akira soundtrack and mangas! This month we're having a flashback with classics such as Battle of the Planets (AKA Gatchaman), the mecha hit Gundam: First Gundam, Gundam 08th MS Team and, of course, Robotech Macross. If you're looking for something newer, check out the new series starting up including the Tylor OVAs, Orphen, the intriguing Ceres, Celestial Legend and Hand Maid May! For DBZ fans, keep your eyes tuned for the new DBZ movie premiere next month!

ANIMANIAC'S PICK(S) OF THE MONTH

This month's picks are simple.... AKIRA, come on... do I really need to explain why the remastered classic is an instant pick? Oh and make sure you check out the hit new release, I'm Gonna Be An Angel (Earth Angel). It's heavenly and demented, just like Animaniac.
